Manual Testing, unit 6 assessment

Test Plan

1. Play game to assess if it behaves as expected
2. Play multiple rounds with different bots selected
3. Play multiple rounds with the same bots selected

Bugs Found

1. "Wins" and "Losses" not updating properly
2. Bottom scroll bar does not go away when game is in full screen
3. "See All Bots" does not work
4. "Click the Draw button to draw 5 random bot cards…" remains visible throughout the entire game
